Ivy Community Service Foundation of Cary, Incorporated

Dear Community Partner,

On behalf of the Ivy Community Service Foundation of Cary, Incorporated (ICSFC), we are honored to invite you to support our 22nd Annual Pearls with a Purpose Charity Gala and the mission-driven community initiatives that it helps sustain.

Whether you have supported ICSFC in the past or are considering partnering with us for the first time, your generosity helps us continue meaningful work throughout Cary and Western Wake County. Through scholarships, youth programming, community outreach, and service initiatives, ICSFC is able to uplift individuals and families and create lasting impact across our community.

With support from donors, sponsors, and community partners like you, we provided over \$75,000 in funding to the community last year. This included \$30,000 in academic scholarships, bringing our total scholarship awards to more than \$300,000 since inception. Key highlights from last year include:

- Awarding ten (10) \$3,000 scholarships to deserving high school and college students
- Supporting our local HBCU students at Shaw University, North Carolina Central University and Saint Augustine's University with scholarships, food assistance and personal hygiene items
- Providing financial assistance to over fifteen (15) local community service organizations

We are deeply grateful for every investment in our mission and for the shared commitment to strengthening the community we proudly serve.

As we prepare for our upcoming Pearls with a Purpose Gala, we would be honored to have your support as a valued sponsor and community partner. If you have partnered with ICSFC before, we thank you for the difference you have already helped make. If this would be your first time supporting our work, we would be grateful for the opportunity to welcome you into our community of impact. Your sponsorship helps us expand our reach and deepen our service through scholarships, programming, and initiatives that directly benefit those we serve.

Thank you for considering this opportunity to partner with ICSFC. We sincerely appreciate your time, generosity, and commitment to service, and we would welcome the opportunity to work together in support of our community.

Warm regards,

Dr. Lisa Jordan, President
